NOTE FOR:

[Redacted]

Acting Legislative Counsel

SUBJECT: DIA Building

25X1

1. I understand that planning money in the neighborhood of \$5 million is currently being spent by DIA for a building to be located at Bolling and that there is money in the Defense 1980 budget for construction although this had not yet been approved by the Secretary of Defense.

2. Consequently, it is not clear exactly what kind of meeting the Director thinks he wants to have with Representative Joseph L. Fisher (D., Va.) and Undersecretary Duncan. I don't think we ought to attempt to contact Fisher until we have a better idea of what is going on. You might want to raise this with the Director, or save it until Fred gets home.
